The image displays a variety of fabric samples. On the left, a large piece of fabric features a wide, multi-colored border with intricate patterns in shades of purple, blue, green, orange, and red. To the right, there are two rectangular fabric swatches: a green one on top and a red one on the bottom. Each swatch has a vertical strip of gold-colored patterned fabric running down its center. The background is a dark, textured fabric with a vertical gold-colored patterned strip. At the bottom, a dark fabric with small, repeating gold-colored motifs is visible.
