BRIGHT GLORY

The beauty of a woman is not in a facial feature but the true beauty is a woman is reflected in her soul. It is the caring that she lovingly gives the passion that she shows; the beauty of a woman grows with the passing years.

SPARKLING BEAUTY

Beauty is the full growth of nature's gifts, and it is not a thing to be bought. The best of us are the best of our kind, and the best of our kind are the best of our kind.

ELEGANT LOOK

I don't think of all the memory but of the beauty that still remains. Experience is beauty's greatest ally. It's not beauty that lasts, but the memory that stays with you, and it's the memory that makes the heart live.
