QUALITY  
NEVER  
GOES OF  
STYLE

Fashion is a trend. Style lives within a person. Fashion is a language. Some know it, some learn it, some never will like an instinct.

# HAVE IT YOUR WAY

Fashion is a tool. To compete in life outside the home. People will like you better, without knowing why, because people will react well to a person they like the looks of.

## A STYLE FOR EVERY STORY

Clothes are like a good meal, a good movie and great pieces of music. Dress like you're going to meet your worst enemy today.

## COLOUR YOUR LIFE

Fashion should be a form of escapism,  
and not a form of imprisonment. Don't  
forget to fall in love with yourself first.  
Dress like you're going to meet your  
worst enemy today.

D.no-170

# BE ALL YOU CAN BE

Some people think that the look  
is secondary. In fact, they have to  
wear makeup. You don't have grainy  
eyes, the eyes are of alternatives  
wanted. The woman who  
lives and works, not the woman in  
a painting, secret to all beauty.
