

RIGHT WOMEN
DESIGNER

MORNI

THE REAL *Lady*

Draping a saree of your choice is a form of self-expression; there are hints about who you are in what you wear. A peppy white saree is an epitome of tranquility that at once puts all the doubts to rest. After all, it is the undisputed queen of all the colors. This traditional take on dressing up does in being the statement piece with its elaborate em-print and flowers.
