

The background of the cover is a watercolor-style illustration. It features a central light purple and white circular area. Surrounding this are various elements: two large pink butterflies with black outlines and orange spots on their wings, positioned on the left and right sides. There are also several purple roses with green leaves, some at the top and bottom right. A golden, textured border, resembling a beaded chain, curves around the central area. Small purple and pink dots are scattered throughout the design.
