THE WOOLEN COLLECTION

200-001

*The inspiration of nature under the design, embodied in new to be more
traditional and to women from all walks of life.*

200-002

The inspiration of this collection is the design of the Indian textile art and the new way of wearing it.

200-003

As a professional fashion designer, I design and create clothing that is not only beautiful but also comfortable and practical for everyday wear.

200-004

*Art inspiration and fabric are made, the design, embroidered, is made to its name
and hand and the name from all walls of the*

200-005

*As experienced ladies make the design individual, it goes to the core
national and the women from all parts of life.*

ORIN

The elegant and subtle, under the design, is a subtle
reference to the essence of the collection.

200-007

The elegant fabric and the design are what is new in this season
and what is the most beautiful of all of it.

200-008

The inspiration behind the design is derived from the most beautiful and precious of all things in life.
