HARMONIZING

*Real beauty is to be true to oneself. That's what makes one feel good.
Beauty is the first present nature gives to women and the first it takes away.*

OUTSTANDING

There is no true beauty, to be courage, something which
narrow soul cannot dare to admire

Appealing

People are like stained - glass windows. They sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there's a light from within.

BREATH TAKING
The imagination of what's natural has taken us to the
edge of the world, from the forest to the sky.
