The text is set against a light, cloudy background. To the right of the text, there are several small black birds in flight. Below the text, there is a faint, stylized image of a temple structure, possibly the same one as in the left image, rendered in a light, ethereal style.

L2054

A woman with long dark hair, wearing large sunglasses and a green and yellow patterned saree, poses in a white arched corridor. She has her hand on her hip and is looking towards the camera. The background shows a series of white arches and a glimpse of a garden. The image is framed by a decorative border with floral and leaf illustrations. There is also some faint, illegible text in the background of the frame.

ADD FLAIR TO YOUR DAILY STYLE WITH THESE PHENOMENALLY PRINTED SAREES.
