A PICTURE OF POISE

Every photographer across the world is fascinated. They can only capture a fraction of her beauty. Because her charm is so all encompassing, so magnificent, so profound, the most skilled photographers fail to do it. Most blame her dress, which is graceful in every respect. Which complements her beauty.

Little girls around the world cut out her pictures from newspapers, magazines, to posters and pin them on their walls, dreaming one day to be as graceful as Banvery, as subtle (she is) as pride, and they dream of emulating her someday. She's their pride, their joy, their source of inspiration.
