skin deep. If you get right someone
finds beauty in a beautiful
but don't have anything to talk about, it's going to get boring fast.
you want to look beyond the
surface and see if you can keep for all if you have anything to
commune with this person.*

until the time, and feel the world. This good life is the greatest

even the beautiful and wonderful things
the more they become invisible to us.

beauty of this world: the flowers,
the trees, the birds, the clouds
even those we love. Because we see things so
often, we see them less and less.*

*Beauty is only
skin deep. If you get right someone
find because she's beautiful
but don't have anything to talk about, it's going to get boring fast.
you want to look beyond the
surface and see if you can have fun or if you have anything to
connect with this person.*
