You realize that you are in a league above all others. When it comes to class, to assure and to appreciate regal, you're miles above the rest of the world. So how can you wear anything but a suit, tailor-made, sleeping in mind that not only even comes close in terms of sheer density, soar above the world like an eagle. Fly as high as the sun.

Nothing else does here, and that's just the way it is. You are at home and you are at home. You are built to each immediate distance. You are built to each moment. You still fall short of the moment. You are built to each moment. This image brings together the moment and the moment. You glance upon you. A moment of the moment.
