Songs *of divinity*

1003

In the sea of the mundane,
you stand alone, a paragon
of life in an otherwise ev-
eryday world. A vision of
you, clad in our marvellous
creations tells the story of
an island surrounded by
the vast and jealous
oceans, even trying to chip
at your beauty...but fail-
ing everytime. You stand
unimpeded, untouched and
unblemished.

A ballad *of ancient grace*

Many years pass until he remembers you, as you are crafted out of myth and happiness; And those reflections cause him to stop, to ponder to reflect and ultimately to rejoice. You are a magic, it is perfection, it opens the floodgates of memories waiting to envelop him in absolute glee. And at the same time he despairs, because the desire to see you is endless and boundless.
