Patan Patola

A woman is shown from the chest up, wearing a vibrant red Patan Patola saree with a complex geometric pattern in white, yellow, and teal. She is adorned with traditional Indian jewelry, including a gold headband with a large circular ornament, a large gold earring, a gold necklace, and several gold rings. Her hands are clasped near her face, and she has a serene expression with her eyes closed. The background is a light gray wall with stylized yellow and green floral and leaf patterns.
