Fashion should be stylish & fun.
I still appreciate individuality style is much more
interesting than fashion really.

TIMELESS MASTERPIECE

The hardest thing in fashion is not to be known for a logo,
but to be known for silhouette. Fashion is what
you adopt when you don't know who you are.

RAMADA SILK

Part. 02

THE ESSENCE OF ROYALTY

fashion is not something that exist in dress only.
fashion is in the sky, in the street, fashion has
to do with ideas the way we live, what is happening.

TROUSSEAU TREASURES

Beauty is how you feel on the inside & it reflects in your eyes, unique & different is the real testament of beauty. Conformity is the only real fashion crime.
