THE FAMILY COURTYARD

It is important to the Indian culture to have a family courtyard. This is the place where the family spends most of its time. It is a place where the family can relax and enjoy the sun and the breeze. It is a place where the family can spend time together and enjoy each other's company. It is a place where the family can find peace and tranquility. It is a place where the family can find a sense of belonging and community. It is a place where the family can find a sense of pride and accomplishment. It is a place where the family can find a sense of joy and happiness. It is a place where the family can find a sense of love and affection. It is a place where the family can find a sense of life and meaning. It is a place where the family can find a sense of purpose and direction. It is a place where the family can find a sense of hope and optimism. It is a place where the family can find a sense of faith and belief. It is a place where the family can find a sense of strength and courage. It is a place where the family can find a sense of wisdom and understanding. It is a place where the family can find a sense of peace and harmony. It is a place where the family can find a sense of unity and togetherness. It is a place where the family can find a sense of love and affection. It is a place where the family can find a sense of life and meaning. It is a place where the family can find a sense of purpose and direction. It is a place where the family can find a sense of hope and optimism. It is a place where the family can find a sense of faith and belief. It is a place where the family can find a sense of strength and courage. It is a place where the family can find a sense of wisdom and understanding. It is a place where the family can find a sense of peace and harmony. It is a place where the family can find a sense of unity and togetherness.
