*A picture of you brings comfort. A sight of you brings relief. A memory of you brings bliss. Your care and you are worthy companions, united in alleviating the pain and the sorrow of the world from the sorrow and the misery which possesses it. From your serene grace, love is born and from your guilt, it spreads across the world.*

*In the sea of the mundane, you stand alone a paragon of life in an otherwise everyday world. A vision of you, clad in our marvellous creations tells the story of an island surrounded by the vast and jealous oceans, ever trying to chip at your beauty...but failing everytime. You stand unimpeded, untroubled and unblemished.*
