SUMMER BONANZA 2

SONGS OF

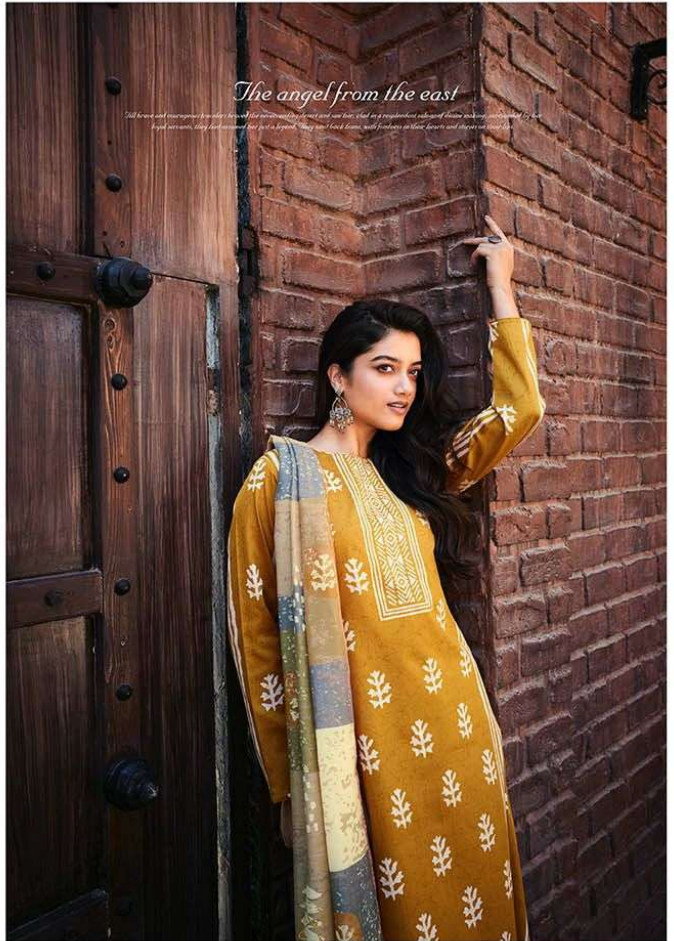

divinity

They surround her and look upon her in awe, and she's not moved but a minute. Her voice is radiant and her throat swells. And they sing her song, in that tongue to come too soft song of her beauty.

The angel from the east

Full length and long-sleeved dress in a vibrant yellow and gold color, featuring a pattern of small white leaves. The dress is made of a soft, flowing fabric and is paired with a matching shawl. The shawl has a geometric pattern in shades of yellow, gold, and blue. The woman is standing in front of a large, dark wooden door with metal hardware. The background is a rustic brick wall.

BRIGHTENING

the night sky

The stars and constellations in the night sky are the most visible signs of the universe. They are a testament to the power of the universe, and a reminder of the vastness of the cosmos. They are a source of wonder and awe, and a source of inspiration for the human mind. They are a reminder of the beauty and mystery of the universe, and a source of hope for the future.

The angel from the east

"Did hear it and was moved to show heart of the ones smiling heart and was free, and in a joyful heart of the one smiling, surrounded by his loyal men, they had received from just a legend. They went hand in hand, with families in their hearts and voices in their eyes."

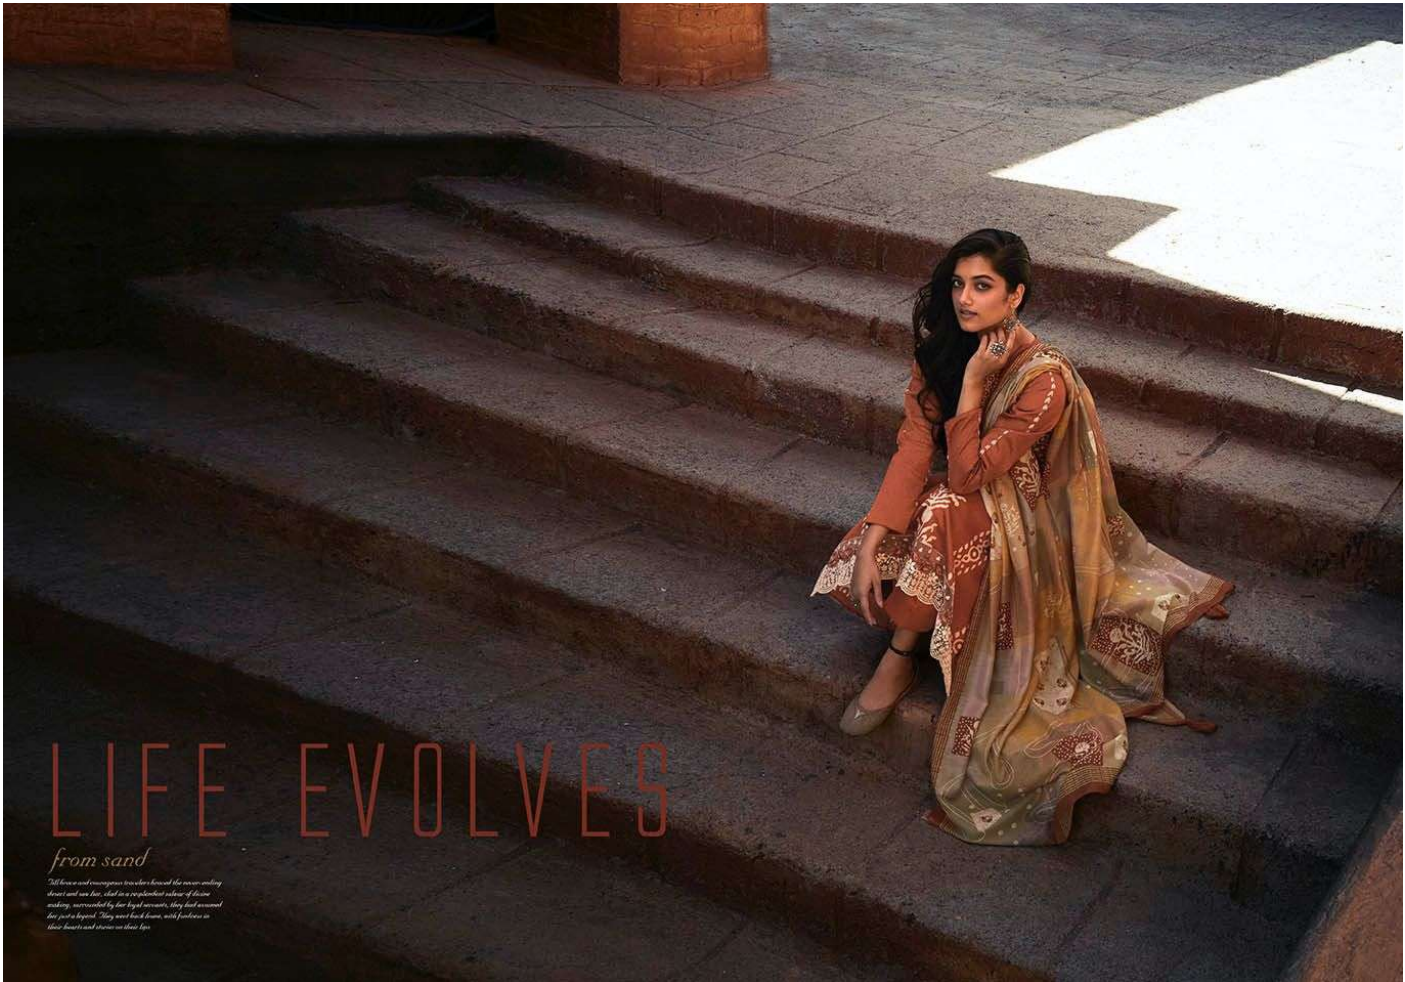

The angel from the east

*Tall towers and evergreen forests beyond the water-making stones and sun fire. And in a splendid silence of divine mystery, surrounded by four
holy servants, they had around her just a legend. They were here to share with humanity in their hearts and stories as their life.*

Tell those and everyone
travellers toward the sea,
on sandy shores and sea, that
what is a magnificent culture of
divine making, surrounded by
the royal courts, they had
created the just is legend.
They went back home, with
faithful in their hearts and
also in their lips.

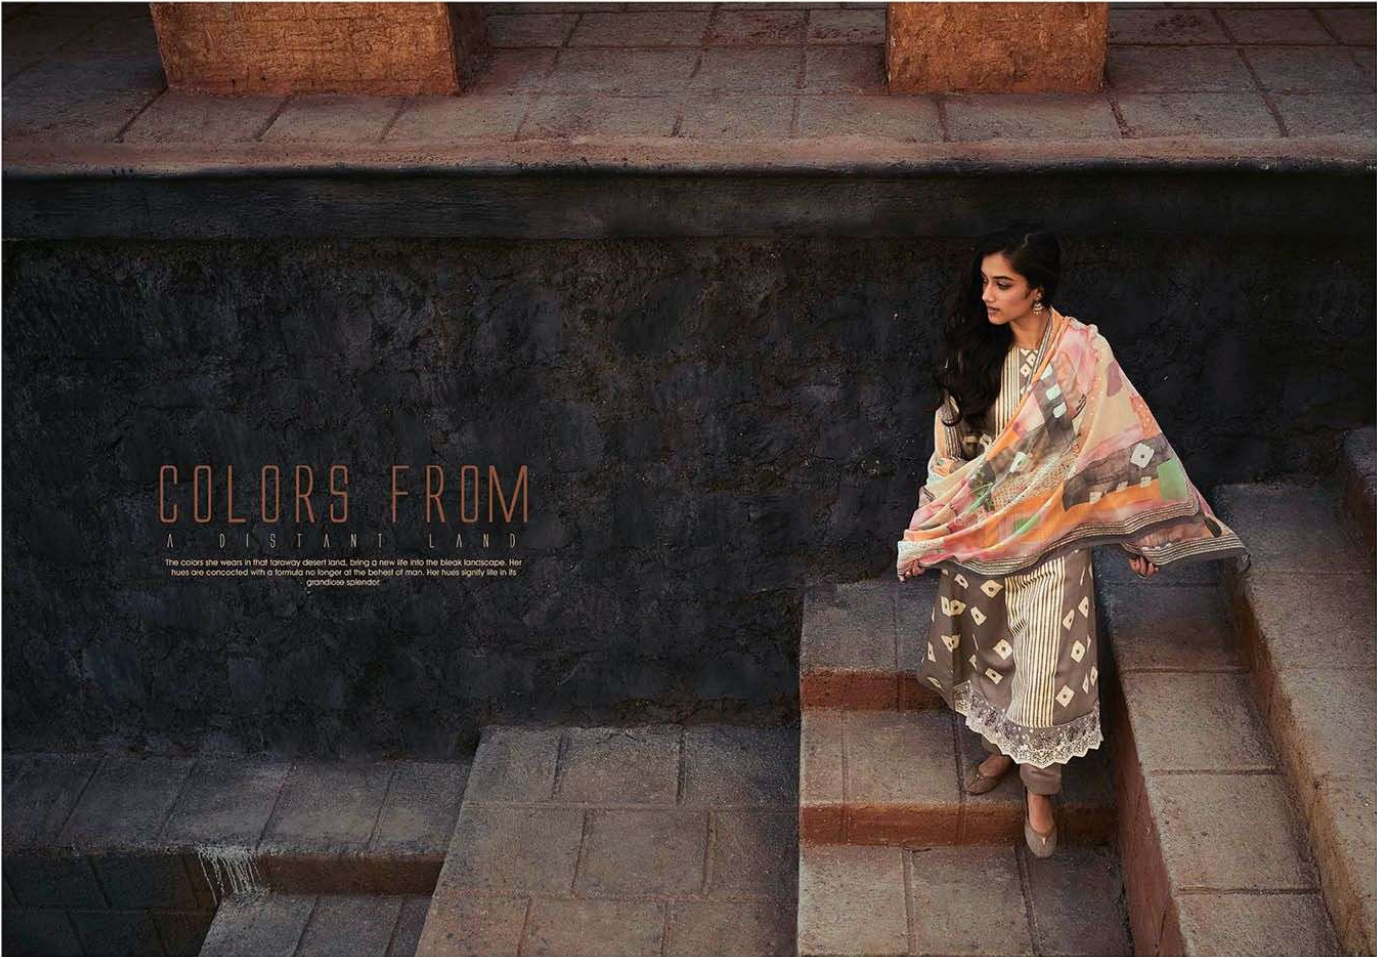

LIFE EVOLVES

from sand

*Tell those and courageous travelers around the world, making
dreams and new days, that in a moment of time
making, surrounded by their loyal hearts, they don't know
that just a legend. They need hard times, with families in
their hearts and hearts in their eyes.*

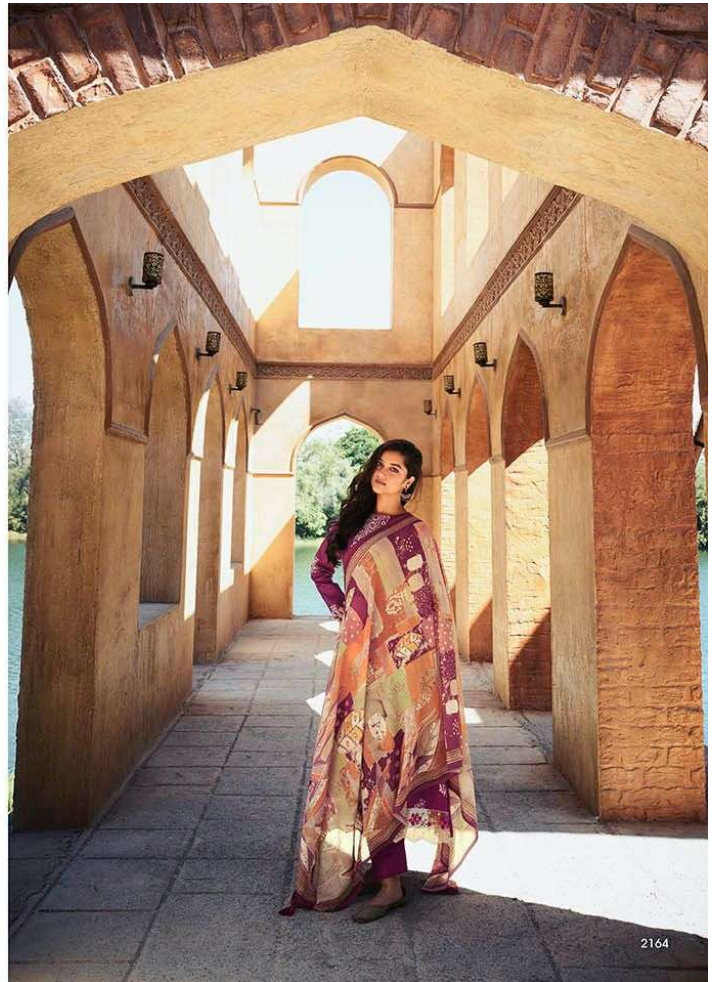

COLORS FROM A DISTANT LAND

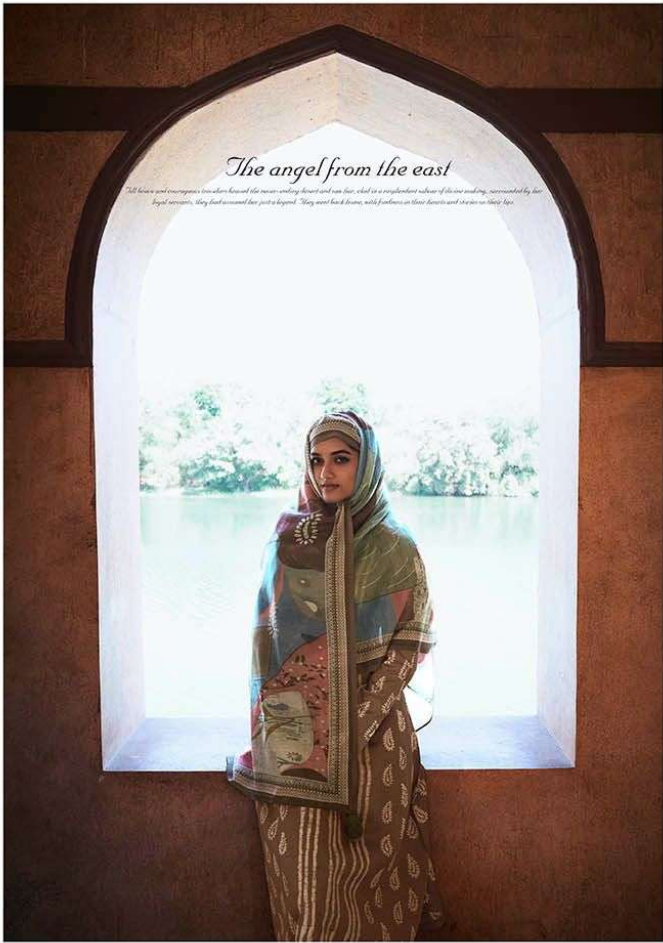

The colors she wears in that faraway desert land, bring a new life into the black landscape. Her hues are concocted with a formula no longer at the behest of man. Her hues signify life in its grandiose splendor.
