## Fashion Trends

*In the 1950s, the style trends of the fashion industry dominated the world more than they ever did, and evolved not only the way people dress, but also trends in home decor design, makeup fashion and popular social attitudes. In the 1960s, fashion grew not only more diverse and daring, it mirrored the whole attitude of a generation, and this is even more pronounced today.*

## Coral Charm

*"In the art of creating the right theme of the fashion industry dominates the world more than they ever did, and created not only the way people dress but also trends in home decor design, interior fashion and people's overall lifestyle. In the 21st century, people did not only dress, they and their life revolved up the whole attitude of a generation, and this is even more phenomenal today."*
