THE PRESENT

"In the 21st century the style trends of the fashion industry dominate the world more than they ever did and control not only the way people dress but also trends in house wear design, wedding fashion and people's overall attitudes. In the 60s flower power did not only wear flowers and beads, it changed the whole attitude of a generation, and this is even more prominent today. Knowledge, fashion is held and sharing, and this reflects a generation that is not afraid to say what they think, or wear what they want. Fashion is not just a means of clothing your body, it is the manner of your personality and beliefs, and designers are well aware of the power they hold. Designers' predictions and designs for the coming season are now being anticipated then on." If there is evolution in the world,

THE OCCASION

In the 21st century the style trends of the fashion industry have shifted to 'Eco-chic' more than they ever did, and created not only the way people dress but also trends in how we design, making fashion and people's overall attitudes. In the 19th century people did not only wear, dress and accessories, it was a way of life, a generation, and this is even more pronounced today. Nowadays, fashion is held and shared, and this reflects a generation that is not afraid to say what they think, or wear what they want. Fashion is not just a matter of clothing your body, it is the manner of your personality and beliefs, and designers are well aware of the power they hold. Designers' predictions and designs for the coming season are now being anticipated more and more by others involved in the world.

WIDE AUDIENCE

In the 12th century the style trends of the Indian clothing dominated the world more than they ever did and created not only the way people dress but also trends in house wear design, wedding fashion and people's overall attitudes. In the 19th century people did not only wear, dress and taste, it covered up the whole attitude of a generation, and this is even more pronounced today. Nowadays, fashion is held and shared, and this reflects a generation that is not afraid to say what they think, or wear what they want. Fashion is not just a matter of clothing your body, it is the manner of your personality and beliefs, and designers are well aware of the power they hold. Designers' predictions and designs for the coming season are now being anticipated three or four years earlier in the world.
