A NEW LIGHTNESS

Fashion is part of the daily life  
which changes all the time  
suits all the events.  
You can even see the  
significance of a religion in  
its clothes. You can feel and  
feel everything in clothes.

Fashion is part of the daily air  
and it fills up all the time  
and in the evening.  
You can see a world  
around you in a revolution  
in clothes. You can see and  
feel everything in clothes.
