Coral Charm

In the evening the slight breeze of the jacket teasingly demands the world more than they ever did, and a smile and only the very gentlest of a smile in her eyes design - making jacket and people's eyes and smiles. In the flower power did not only mean flowers and fabric, it started up the whole culture of a generation, and this is even more prominent today.

Fashion Industry

"In the century the style trends of the fashion industry dominate the world more than the power did and control not only the way people dress but also their in home space design - making fashion and people's overall attitude." In the power power did not only mean power and justice, it summed up the whole culture of a generation, and this is even more prominent today.
