Fashion you can buy,
but style you possess.
The key to style is
learning who you are,
which takes years.
There's no how-to road
map to style.
It's about self-expression and,
above all, attitude.

Fashion is a trend.
Style lives within a person.
Create your own style;
let it be unique for yourself and
yet identifiable for others.

Don't be into trends.
Don't make fashion own you,
but you decide what you are,
what you want to express by
the way you
dress and the way you live.

For beautiful eyes,
look for the good in others;
for beautiful lips,
speak only words of kindness;
and for poise,
walk with the knowledge
that you are never alone.
