"Fashion you can buy, but style you possess. The key to style is learning who you are, which takes years. There's no how-to road map to style. It's about self-expression and, above all, attitude."

"Fashion is part of the daily air and it changes all the time, with all the events. You can even see the approaching of a revolution in clothes. You can see and feel everything in clothes."

"Fashion you can buy, but style you possess.
The key to style is learning who you are,
which takes years. There's no how-to manual
map to style. It's about self-expression and
showing off attitude."
