In the art of costume design, the designer's task is to create a look that is both functional and aesthetically pleasing. The designer must also consider the cultural, historical, and geographical context of the design, as well as the needs and preferences of the target audience. The designer's role is to create a look that is both functional and aesthetically pleasing, while also considering the cultural, historical, and geographical context of the design, as well as the needs and preferences of the target audience.
