"Fashion is part of the culture and it changes all the time with all the trends. But the only one thing that is constant is the fact that it is a part of the culture and it is a part of the culture."

❖ *Elegance Fashion Style* ❖

"What's so right is not just right, and I don't see how you can follow it. It's something that requires you not just to see, but to feel it."

❖ 1030-008

Creative Fashion

"Don't let others create. Don't make fashion copy you, but you decide what you are,
what you want to express by the way you dress and the way to live."

1030-005

"I think there is beauty in every thing. 'What' we see is just a person's eye. Love really, we see things of beauty in it."

Modern style

"Don't be into trends, just make the trend to you. Not you do like what you are, what you want to express by the way you dress and the way you live."

VOL. 02

"Fashion is not of the body but of the mind. It is the art of the dress, not of the
woman. The only way the dress can be a fashion is to be a fashion. The only
way to be a fashion is to be a fashion."
