## Live passionately

This momentous occasion marks the start of your life together.  
May the journey be a happy one. Filled with peace and harmony,  
joy and laughter, romance and passion. May your enduring love be  
the secret jewel that ties together all the years. Best Wishes! These  
wishes to the moment When mornings first share With a waking of  
suns, And giving of hearts. With so many beautiful days to enjoy  
And each new day Holding the promise of more... The years will be  
full. As the evenings grow giving. With faith and commitment To  
grow it along May this house be warm with laughter. Sharing and fun...  
as tenderly gentle these two lives become one (How glad I to write)  
When love's dreams do come true It's just the beginning when you say I do...
