SIMPLE & CLASSIC

"I don't think it's hard to creating. What's hard is making it right.
I can usually see something at first, and it's."

824-006

"I look down in awe at everything. The world's people provide me with
This study on something of beauty in it."

CLASSIC BEAUTY

DILSHAD

VOL -04

Fashion is part of the body art and it changes all the time, with all the trends, the one even in the beginning of a fashion in India. Because we are not looking for the same thing as the others.
