Fashion is a language which tells a story about the person who wears it. It is a mirror which reflects the soul of the person. It is a reflection of the person's personality. It is a reflection of the person's culture. It is a reflection of the person's identity. It is a reflection of the person's life. It is a reflection of the person's love. It is a reflection of the person's passion. It is a reflection of the person's dreams. It is a reflection of the person's hopes. It is a reflection of the person's faith. It is a reflection of the person's love. It is a reflection of the person's passion. It is a reflection of the person's dreams. It is a reflection of the person's hopes. It is a reflection of the person's faith.
