LEGACY LUXE

A woman with dark hair and large earrings is walking towards the camera on a cobblestone street in a European city. She is wearing a bright red ensemble consisting of a long, flowing cape with a wide, ornate border featuring gold embroidery and large floral prints. Underneath, she wears a matching red skirt. She is holding a small ice cream cone in her right hand. The street is lined with historic buildings, and other pedestrians are visible in the background. A sign for 'FOTO BLITZ' is visible on a building in the distance.
