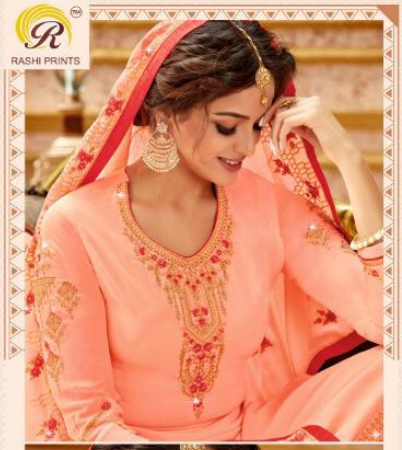
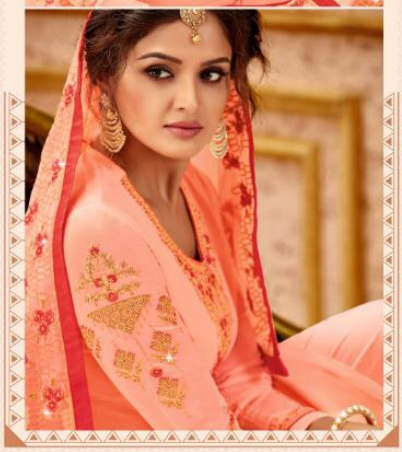
SAGA

The hardest thing in fashion is not to be known for a logo,but to be known for a silhouette. Fashion is what you when you don't know who you are.

RASHI PRINTS





"Fashion is about dressing according to what's fashionable. Style is more about being yourself."

all girls have had wounded hearts at some point

BE TRENDY
for every mood
Fashion you can buy, but style you possess.
The key to style is learning who you are,
which takes years. There's no how-to road map to style.
It's about self expression and, above all, attitude

The best things in life are free. The second best are very expensive
