// fashion is not something that exists in stores only fashion is in the sky
in the street fashion has to do with what the way we live, what is happening //

CODE # 13106

*Experience
life with colour*

“There's nothing more precious than the color of life. It's the only thing that makes us feel alive. It's the only thing that makes us feel like we're part of something bigger than ourselves. It's the only thing that makes us feel like we're part of something that's worth living for.”
